

REBEC (Real Estate Belgrade Exhibition & Conference) is lead by an idea of all larger European exhibitions and congresses that promote properties and attract potential investors, such as EXPO REAL in Munich, MIPIM and MAPIC in Canes, REAL VIENNA in Vienna, and EXPO Italia in Milan.

The main initiator and REBEC organization team estimated this moment as the right time to host this kind of event in Serbia due to the increasing number of foreign investors as this country. Therefore is important to present relevant legal solutions regarding real estate development, so as to provide information about current situation in that field.

Rebec's mission is not only to present conference at its high value and quality, but to present Serbia as an inevitable investment destination. Find out what's new on the real estate market in the region, what are the most attractive investment areas, the role of investment funds and how much they contribute to the market growth and in which way, Learn more of the obstacles that investors face on the market, *mix use* as the new "undiscovered winning combination for the real estate market in Belgrade"... Also, find out what Serbia offers in the real estate market, and how world class leaders estimate Serbian market in this business.

REBEC conference will be held on June 24<sup>th</sup> and 25<sup>th</sup> at Congress Center "Sava" in Belgrade. Conference itself is divided into 7 panels' discussions:

- urbanism;
- greenfield;
- brownfield and golf courses;
- restitution and privatization as the drivers of real estate development;
- overall aspects of PPP financing model;
- prospects of Real Estate Leasing in Serbia;
- Serbia as the logistics center of southeast Europe;
- present capacities and prospects of Investment funds;
- current FM situation in the Balkans and the future forecast.

Additional exhibition, which will be a supporting event to the REBEC conference, will be held at the same location. This expo has been planned as an interactive manifestation that enables the exhibitors to present their new projects and provide accurate and valuable information on the investment opportunities of Serbia as far as development of all types of property is concerned.

The main initiator of REBEC manifestation is Festlent Company, publisher of the "AG Real Estate" Magazine.
